

## The introduction of Directors

Directors are selected from persons with extensive industrial, commercial, business administration, and academic expertise and experience. The Board of Directors exercise their rights based on legal regulations, the Company chapter, and resolutions of Shareholders' Meetings. They are responsible for planning the Company's strategies and monitoring the management team and effectiveness of the operation to ensure maximum benefits to the Company's stakeholders and create maximum profits for the shareholders. The Chief Auditor is regularly invited to report the audit progress during the Board of Directors' Meeting. Apart from the Chief Auditor, other employees may also be called to participate in the Board Meetings, depending on the agenda discussed.

- The 13<sup>th</sup> term of the Board of Directors is from June 22, 2018 to June 21, 2021.
