

The introduction of Directors

The Board of Directors exercise their rights based on legal regulations, the Company articles and resolutions of Shareholders' Meetings. They are responsible for directing strategies and supervising the management. The various procedures and arrangements of its corporate governance system shall ensure the maximum benefits obtained to stakeholders and the maximum profit created to shareholders. The Chief Auditor is regularly invited to report the audit progress during the Board of Directors' Meeting. Apart from the Chief Auditor, other employees may also be called to participate in the Board Meetings, depending on the agenda discussed.

- The 15th term of the Board of Directors is from May 31, 2024 to May 30, 2027.
