Dear Sir

2021-11-19(610150)

Following the recent audit of your company's Management System, we are pleased to inform you that the system in operation conforms to the requirements of **ISO 50001:2018 Energy Management System**. Should any major Corrective Action Request(CAR) raised at this visit, the proposed corrective action has been evaluated and closed out already. Should any minor CAR raised at this visit, the proposed corrective action has been evaluated for adequacy and the implementation of the corrective action will be verified at the next surveillance visit which would be about 12 months from the date of the attached certificate.

We are notifying the Certification Council that we have issued a Certificate of Registration and should you require our assistance in arranging a formal presentation or have any queries regarding the use of the mark, please contact SGS Certification & Business Enhancement office.

As an SGS Certification & Business Enhancement Quality Firm, you will be entitled to apply the SGS and/or **TAF** mark to letter heading and publicity material relating to your registration and you will therefore find attached a bromide of the mark artwork and a leaflet which explains the permitted use of both our own and/or **TAF** certification mark. To avoid misrepresentation regarding company's certification, we would request you to ensure all publicity states that your own company's registration is with SGS Certification & Business Enhancement thereby enabling immediate traceability.

We would like to take this opportunity to congratulate you on achieving this important milestone, wish you continuous success forward to a long working relationship.

You can find additional information on our website at the links below
